Shamrock Run – Sunday, March 15, 2020

The Shamrock Run is a two mile Family Fun Run that leads the St. Patrick’s Parade down Broadway. The run starts at Academy Green and ends at the foot of Broadway in the Rondout district. This event brings Kingstonians and members of the surrounding Hudson Valley communities out to kick off the start of Spring. We average 4000 participants. The Start Line is marked by a banner strung across Albany Avenue two weeks prior to the run. The Finish Line will be marked by a banner strung across Broadway. Runners receive a medal at the finish. There is a post-race awards and giveaway presentation at the Rondout Neighborhood Center. We hang a banner identifying our sponsors using their logos at the RNC. A trip to Ireland for two is raffled along with numerous prizes.
